INFORMATION DISCLOSURE STATEMENT

Assistant Commissioner for Patents
Alexandria, VA 22313-1450

Sir:

Documents relating to the above-identified application are submitted herewith. The following information is intended for the Examiner's information and for citation with the instant case. This submission does not constitute either a representation that a thorough search has been made or an admission that the documents cited herein are properly citable against the above-identified application. Comments accompanying the documents, if any comments are included, are believed to constitute a concise explanation of the relevance of the documents. However, any such comments are not intended to take the place of the Examiner's independent consideration of each document. An attached PTO Form 1449 lists these documents.

References:

WO 02/24071 A2

Tanaka, M. et al. "The 'Haptic Finger' - a new device for monitoring skin condition," *Skin Research and Technology*, 9:131-136 (2003).

Flament, F., et al. "Finger perception metrology. Correlation between friction force and acoustic emission," *Abstracts*, abstract of a presentation at a skin conference in Hamburg, 2003.

No additional fee is required since this information is filed prior to the first Office Action on the merits. (37 CFR 1.97(b)(3))

Respectfully submitted,

A handwritten signature in cursive script, appearing to read "E. Plotkin", is written over a horizontal line.

Ellen Plotkin
